Karl E. Peace : Biopharmaceutical Statistics for Drug Development (Statistics: A Series of Textbooks and Monographs) before purchasing it in order to gage whether or not it would be worth my time, and all praised Biopharmaceutical Statistics for Drug Development (Statistics: A Series of Textbooks and Monographs):

Statistics: Textbooks and Monographs, Volume 86.

"... an important resource for scientists who desire or need to know statistical aspects of human drug development...strongly recommend[ed]...." -- American Journal of Pharmaceutical Education
