From Unknown : Clinical Neuroanatomy, Neurophysiology, and Neurology, with a Method of Brain Reconstruction before purchasing it in order to gage whether or not it would be worth my time, and all praised Clinical Neuroanatomy, Neurophysiology, and Neurology, with a Method of Brain Reconstruction:

I am not a book store or professional seller. These books belonged to my grandfather and all have his name written on the inside, as he loaned his books out and felt writing his name on the inside improved his chances of getting them back. All proceeds generated from the sale of his books goes to the Cleveland Clinic, where he worked for many years, as his dying request.
