**Denise Ferrier : Lippincott Illustrated Reviews: Biochemistry (Lippincott Illustrated Reviews Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lippincott Illustrated Reviews: Biochemistry (Lippincott Illustrated Reviews Series):

1 of 3 people found the following review helpful. I am unable to zoom in on the pictures in ...By kI am unable to zoom in on the pictures in the text. I should be able to double click to zoom, and it works on my iphone, but not my macbook. Disappointing to pay for the book and not be able to use the diagrams which demonstrate key biochemical pathways.

Publishers Note: Products purchased from 3rd Party sellers are not guaranteed by the Publisher for quality,

authenticity, or access to any online entitlements included with the product. Lippincott Illustrated Reviews: Biochemistry is the long-established, first-and-best resource for the essentials of biochemistry. Students rely on this text to help them quickly review, assimilate, and integrate large amounts of critical and complex information. For more than two decades, faculty and students have praised this best-selling biochemistry textbook for its matchless illustrations that make concepts come to life.
