Lippincott Williams Wilkins : Lippincott's Interactive Tutorials and Case Studies for Porth Essentials of Pathophysiology (Stand Alone) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lippincott's Interactive Tutorials and Case Studies for Porth Essentials of Pathophysiology (Stand Alone):

2 of 2 people found the following review helpful. Terrible accompaniment By Scott Bower This overpriced software adds minimal reinforcement to the textbook. The quizzes are short and not intense enough to either add new

information or even compliment what the student may have already learned. Very basic and disappointing!
