S. James Booth : Microbiology: Pearls Of Wisdom (Pearls of Wisdom (Jones and Bartlett)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Microbiology: Pearls Of Wisdom (Pearls of Wisdom (Jones and Bartlett)):

0 of 0 people found the following review helpful. summarizedBy abdulazizI bought this book not only because I am student with Dr.Booth but also I need some concise and summarized book about microbiology, this really what you need for rapid review for microbiology.0 of 0 people found the following review helpful. niceBy Dr.PenguinIt is great! I enjoy is a lot! Thank you very much and looking forward for more businesses with you!

Updated throughout to keep pace with the rapidly moving field of microbiology, the Second Edition of Microbiology: Pearls of Wisdom is the perfect tool for medical students preparing for the MCAT, VCAT, DCAT, USMLE, as well as

for undergraduate students taking a microbiology course. With a rapid-fire question and answer format, this essential review of Microbiology principles is sure to improve performance on microbiology written and practical examinations by allowing students to immediately score their practice exam and quickly see the correct answers.
