Sandel : The Case Against Perfection: Ethics in the Age of Genetic Engineering (Paperback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Case Against Perfection: Ethics in the Age of Genetic Engineering (Paperback) - Common:

Breakthroughs in genetics present us with a promise and a predicament. Although most people find at least some forms of genetic engineering disquieting, it is not easy to articulate why. This work explores these and other moral quandaries connected with the quest to perfect ourselves and our children.
