Joel Williamson : The Crucible of Race: Black-White Relations in the American South since Emancipation
before purchasing it in order to gage whether or not it would be worth my time, and all praised The Crucible of Race:
Black-White Relations in the American South since Emancipation:

2 of 2 people found the following review helpful. An Intellectual AccountBy Phil HIf you want to know the historical facts and evolution of race relations between white and blacks in the US, this is the book to read. It also presents the differences between the North and South as well as giving Republican, Democratic and Liberal perspectives.6 of 7 people found the following review helpful. a standard at its time.By SteveThis was one of the best books written on the subject when it was published. It had data in it not found in other books. I highly recommend it to anyone's library.4 of 5 people found the following review helpful. The Crucible of RaceBy intelligencer11I purchased this book a couple of years ago and apologize for the late review. It is intense reading and informative. The book also speaks of one of my ancestors and I was unaware of how he gained his position. This book clarifies that point. I thank Mr. Williamson for this enlightening experience.The book was sent to me in excellent condition and in a timely manner.Many thanks.

Black/White Relations in the American South since Emancipation. Winner of the Parkman Prize of The Society of American Historians.
