**Cullen William 1710-1790 : Works, Containing His Physiology, Nosology, and the First Lines of the Practice of Physic; With Numerous Extracts from His Manuscript Papers, and from** before purchasing it in order to gage

whether or not it would be worth my time, and all praised Works, Containing His Physiology, Nosology, and the First Lines of the Practice of Physic; With Numerous Extracts from His Manuscript Papers, and from:

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
